Who's Producing What?

The Bisque Shapes Webpage was designed to accommodate those individuals who have a hard time seeing the shape beneath the decoration. Every month photos of the undecorated bisque will be posted on Mayco's web site, www.maycocolors.com. Click on "Bisque Shapes" and you will be taken to a page where you can browse through thumbnail images of bisque. Once you find a shape you like, "Click for Suppliers." Here you will find a list of suppliers who are currently producing and stocking the bisque. There will be a link to the supplier's web site or their toll-free phone number will be listed.
